

The angel's holiday

1

once there was a angel,

She had a dog.

and a mother and a father.

And a little sister.

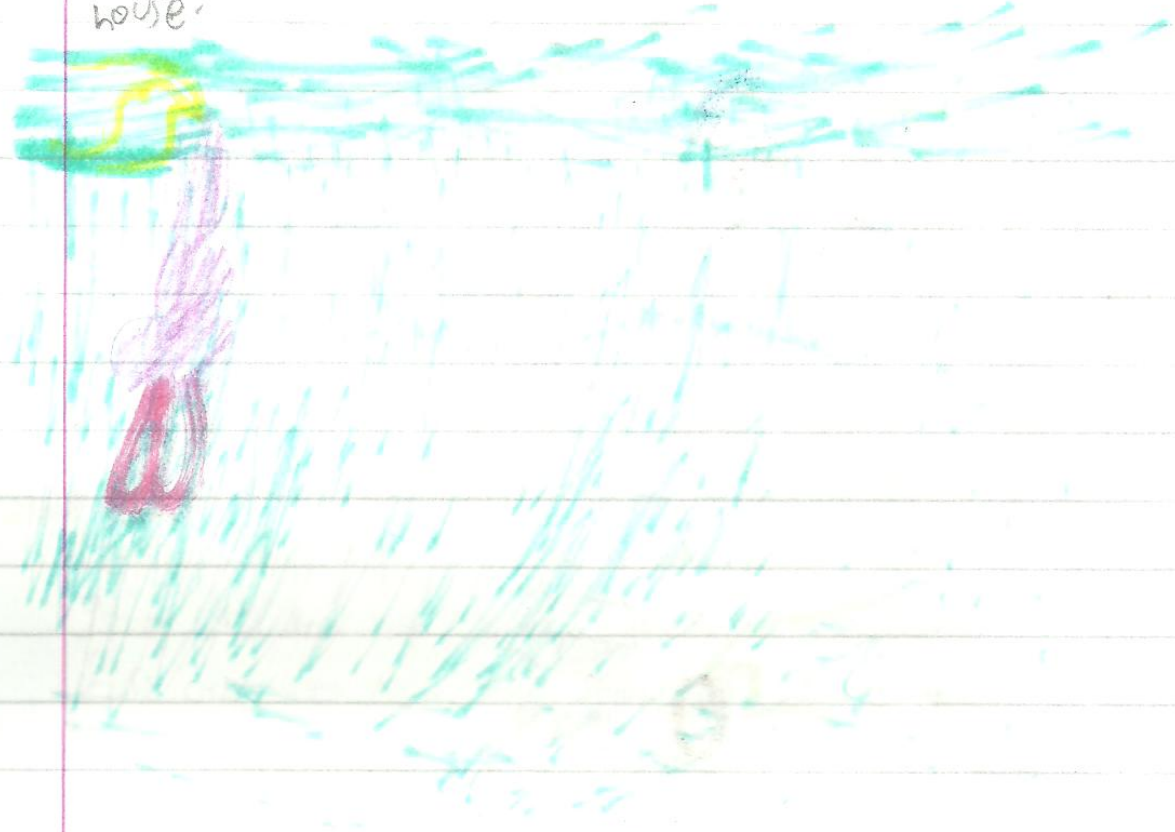

The little sister was called Alice.
Once there was a fairy.

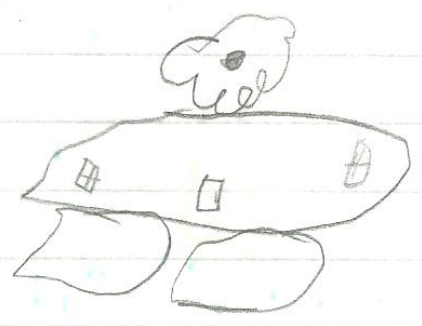

And another and a father.

One day, the angel fluttered to the fairy's house.

She had her dog with her.
It had to go in the dog helicopter.

The dog had got there when the angel called Mary had got there. I don't believe that the dog got there first" thought Mary.

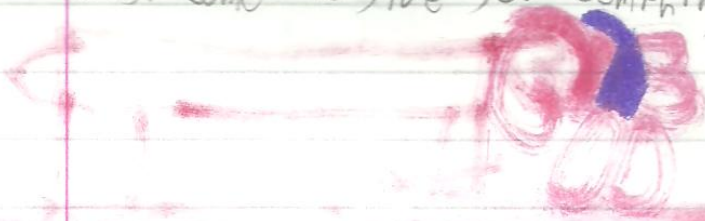

MUM, (called Emily) was on the Magic bands telephone when they got in.

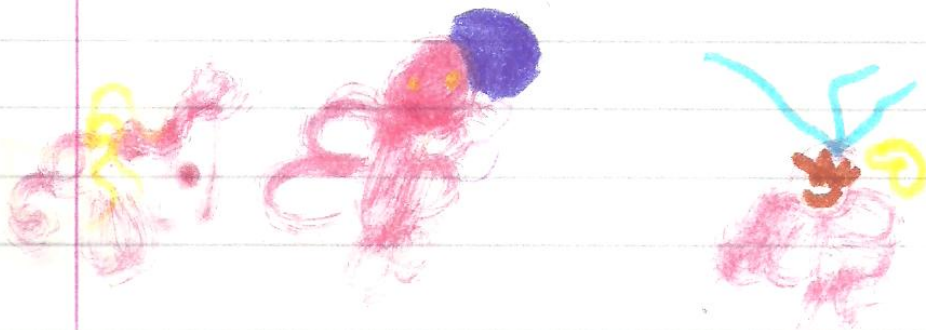

"Hello, Mary!" Shouted the fairy, "I'm not going to be here for long today!" said Mary- "I've just come to give you something!" "It's this!"

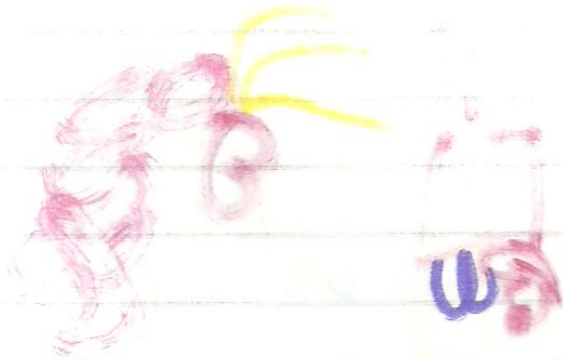

"Thank you!" said the fairy, "But what did you give me her?" "I'm going on holiday," said Mary. "To where?" asked the fairy. "Spain," said Mary. "Wowee!" said the fairy. (called her) "So I need you to look after her." And she went out of the house.

They went for a run in the park.

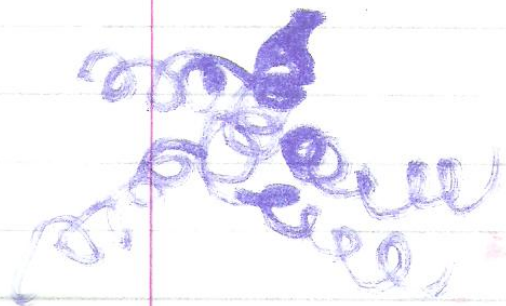

Lucy put wings on the dog. they flew!
The dog wasn't very good at it!

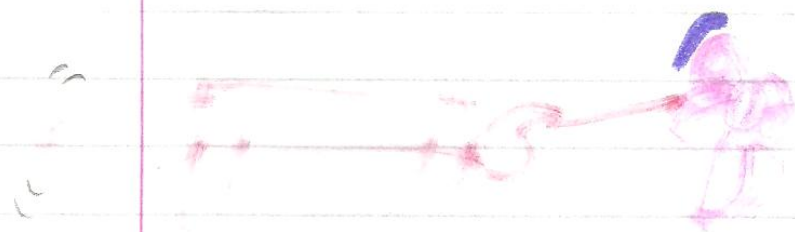

Lucy took the dog to the dog's school.

But just then, the angel came back early. She explained that there had been a fire in the holiday house and I had to go and pick up my dog, and she took her back home.

The end.
